

RESOLVE

Monthly Overview

FEB 27 - MARCH 27

SERIES FOR GRADES 6-7: DO HARD THINGS

Adolescence is a launching pad into the rest of our lives. What we do now sets the foundation for the rest of our lives. Are we setting ourselves up for a mediocre life or are we going to do hard things? In order to set an example to those around us we must get out of our comfort zone.

SERIES FOR GRADES 8-12: BIG QUESTIONS

Bringing in Steve Miller, a religion professor at KSU, our students will engage in a three week workshop about the biggest questions that challenge their faith. The goal is for students to walk away with a full understanding of why they can and should place their trust in the Jesus story, and be able to communicate it to their friends.

QUESTIONS? CALL 770-597-8013

AT HOME DISCUSSION FOR GRADES 6-7

- Share about a time when you did something outside of your comfort zone to help someone or do something for God?
- Who are some of your role models and why?
- What are you learning at Resolve that is challenging you?
- What is something you hope to accomplish before Middle School is over?

AT HOME DISCUSSION FOR GRADES 8-12

- What is one big question that you've always had about Christianity? Has this series addressed it?
- What's one question that's been covered at Resolve that stood out most to you?
- Has this series made you more confident in what you believe?
